*Note that due to conversion from metric values, the US values provided are approximate

^A Not available in all colours

^B Only available in Standard grade

^C Some colours have gloss elements in the surface

^D With Satin reverse

^E With the same type (code) of decors on front and reverse side

Please note:

Grade: Trespa® TopLab® Vertical single sided decorative Standard grade and Fire-Retardant grade will be faced with an identification print on the non-decorative black reverse of the panel in addition to the panel sticker. Trespa® TopLab® Vertical double sided decorative Standard grade and Fire-Retardant grade can be clearly identified and distinguished on the basis of the panel sticker.
